Doctor's change weeks but will always be in on a Monday, Wednesday and Friday. A Nurse will be in on a Tuesday and Thursday. Please check for possible time changes weekly.

These are the times services can be used. However if you wish to use the services outside these times we will try to accommodate you, but at busy times you will be required to wait for an available member of staff. Your patience would be appreciated.

\*Internet and Computer Access is limited to half hour slots. Times are flexible provided that staff are free to help and others are not waiting to use the computer\*
